### In-House Tailored Certifications for the Financial Services Industry

Since 1994 offering in-house courses tailored to the specific skills-acquisition needs of -

- banks,
- stock exchanges,
- financial service firms,
- professional associations,
- government departments, and
- corporate training companies.

Such in-house courses have been taught both residentially and/or through distance. The courses time frames have ranged from two to forty hours of live lecture with accompanying training materials, attendance records, and certification assessment.

### Credits and Time

24 credits for LL.M./J.S.M. (normally eight courses) in as little as 1 year or up to 4 years  
60 credits total for doctorate, up to 4 additional years (LL.M./J.S.M. plus 36 credits)

### Courses

Choose from over **forty courses**, all three credits, offered in career concentrations (or develop your own curriculum):

- (1) International Financial Services
- (2) Anti-Money Laundering & Compliance
- (3) Wealth Management & Private Banking
- (4) E-commerce and Intellectual Property
- (5) United States Taxation
- (6) Trusts/Company Administration & Compliance
- (7) Bankruptcy and Insolvency

See <http://williambyrnes.wordpress.com/courses/> for a complete course list by subject concentration.

## Eight Value Statements (How it Works) Tested over 12 years of Online Executive Education
